

SURVIVING (AND THRIVING!) IN A HYBRID ROLE

HYBRID ROLES AND THE BUSINESS ANALYST SUCCESS PATH

YOUR CURRENT REALITY

What roles or hats do you fill today?

Examples include: business analyst, software developer, tester, admin, project manager, product manager, etc.

Role	Percentage of Time

CAUSE AND EFFECT – HOW DID THIS COME TO BE?

For each role – When was the first time you took on this role? Why do you continue to fill this role?

Role: _____

First time?	Why continue?
